

GIORGIO NICOLELLA

CREATIVE DESIGNER FOR MULTIMEDIA

"I, Giorgio Nicolella, hereby consent to the processing of my personal data contained in this curriculum vitae, in accordance with the General Data Protection Regulation (GDPR) (EU) 2016/679 and any applicable privacy laws of the destination country. I acknowledge that such data may be transferred, processed, and stored outside the European Union, and I expressly authorize this transfer."

PROFILE

Curious and passionate guy.
Great knowledge of the Adobe Creative Cloud package and the main similar programs (Figma, inVision, Final Cut etc.).
Good 3D generalism knowledge (Blender user, but open to other programs). Good knowledge about the Office package and the "similar" for MacOS and Google.
Administrative skills (Experiences with management software like Asana and Jira). Mindset for problem solving and talk speech. Good capability to work in group and to communicate.
